

The Standards

For the Professional Practice of Internal Auditing

The International Standards for the Professional Practice of Internal Auditing, or just The Standards, are part of the International Professional Practices Framework (The IPPF). These Standards outline the way internal auditors work around the world, and every internal auditor need to know them. But, knowing them isn't really enough – we need to be able to interpret them in real world situations. That's what this course is really about.

COURSE TOPICS

- The IPPF
- Attributes Standards
- Performance Standards
- Other IPPF Guidance
- Other Standards – AICPA, PCAOB, GAGAS
- Standards Challenge Exercises

Course Leader:

Larry D. Hubbard (CPA, CIA, CISA, CCSA and Accredited Internal Quality Assessment Validator) will lead the training seminar. Prior to founding Larry Hubbard & Associates, Larry's work experience included Mobil Corporation and Ernst & Young.
